

LIFT ME UP

LET ME GO

LIFT ME UP

LET ME GO

god bless us we're broken people  
living under a loaded gun an it  
can't be outfought it can't be  
outdone it can't outmatched it  
can't be outrun

and when i close my eyes  
tonoght to symphonies of  
blinding light

like memories in cold decay  
transmissions echoing away  
far frome the world of  
you and i  
where oceans bleed into the sky

# the catalyst

god bless us everyone will we burn  
inside the fires of a thousand suns?  
for

the sins of our hand  
the sins of our tongue  
the sins of our father  
the sins of our young
